

SPECIALTY MARINE AND STEREO

NORTHSTAR PURE LEAD BATTERIES

NorthStar Speciality Marine and Stereo Batteries are the Ultra High Performance solution for your custom audio system. Built to provide the longest reserve capacity possible, and the highest vibration resistance available. Don't miss a beat with the NSB-SMS battery line.

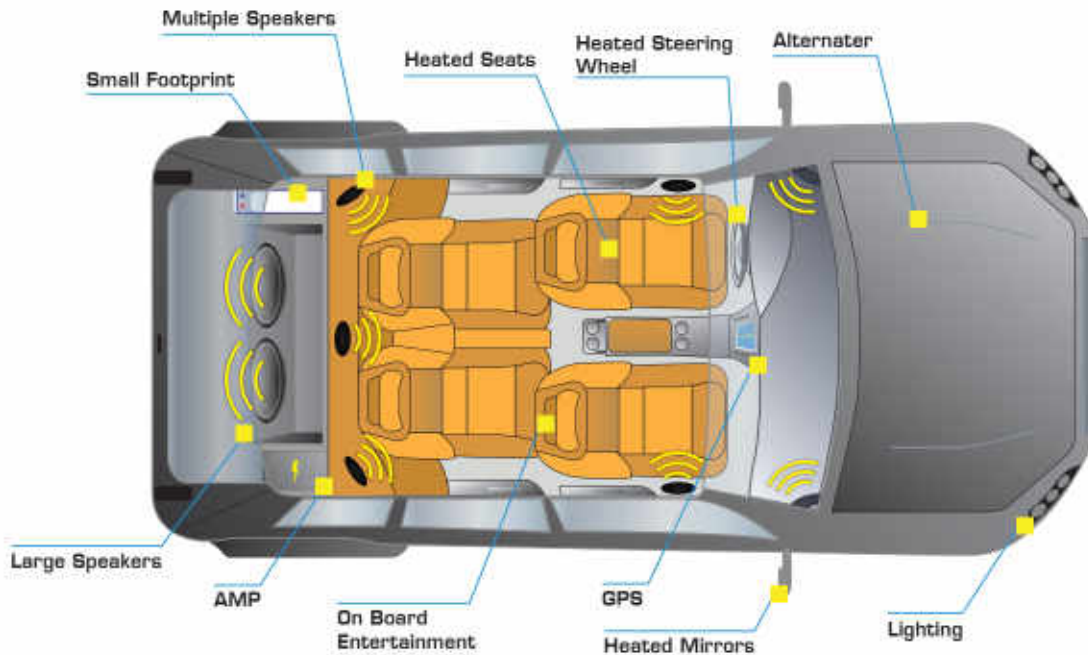

- Pure Lead AGM Technology delivers exceptional CCA ratings and reserve capacity cycling ability
- Quick starting every time
- Cycles over 900 times to 50% depth of discharge
- Faster recharge than conventional batteries
- Proudly made in the USA at the most state-of-the-art battery plants
- OEM fit is ensured - built to exact BCI standards
- Housed in advanced plastics for durability, performance and heat resistance
- Advanced Pure Lead AGM construction means no water levels to check or terminals to clean
- Approved as non-hazardous cargo for ground, sea, and air transport
 - DOT 49CFR173.159(d), (i) and (ii)
